

REVERT TO OWNER

Dear Customer:

Thank you for your inquiry about leaving the utility service on between tenants. In order to have no interruption of service at your property, please sign this agreement authorizing Westar Energy to automatically leave the service on in your name when an order is received from one of your tenants to discontinued service. Please be advised of the following conditions regarding this agreement:

- 1. This release stipulates that the charges for the period between the time outgoing tenants request termination and incoming tenants request service will be accepted by you.
2. This agreement is for all meters that are provided by Westar Energy at each address. There is no option to select one particular meter if more than one meter is present at an address.
3. Westar Energy reserves the right to disconnect any and all meters at an address when tenants become delinquent on their bill or have in any way interfered with normal service.
4. In the event the properties are sold or otherwise change hands, any request for title change and/or discontinuance requires five (5) days prior written notification to terminate this agreement.

Please sign this release and return to: Westar Energy, Attn: Customer Contact Center, P.O. Box 208, Wichita, KS 67201-0208. Fax: (316) 261-6615. This agreement may be transmitted by telecopier, which shall have the same force and effect as the original.

In the space below, provide the billing information for these properties when service is reverted to the owner.
